Rules for Pick Up and Drop Off

1. Students must wait at the bus stop 5 minutes before the scheduled time of pick-up. If the bus arrives at the stop at the scheduled time and the student is not there, the bus will not wait and will continue its trip.
2. Students must directly go to their buses immediately after the school day ends and must be on the bus at the scheduled times. Buses will leave at the scheduled times and will not wait for late students. It is the responsibility of the parents to also educate the child about the bus timing and to arrange for alternative pick up transportation if the child misses the bus.
3. Students are not allowed to leave the bus or leave unattended items on the bus once they board the bus.
4. Parents/guardians should wait for their children at the bus stop where they are dropped off 5 minutes prior to the scheduled time of the bus arrival. If the parent/guardian is not at the bus stop when the bus arrives, then the student remains on the bus and will be returned to school.
5. Parents/guardians who request that their children leave the school bus alone when dropped off should understand that once their children leave the bus at the agreed location, their safety is fully the parents'/guardians' responsibility and the school does not hold any liability. (Note that KG–Grade 4 students must be picked up by their parents from the bus stop.)
